## DISCOVER THE CENTRAIDE CUP!

Since 2012,  
this soccer  
tournament has  
raised close to  
**\$2.2M.**

The money raised by Centraide of Greater Montreal and the Montreal Impact Foundation goes to support youth success through the support and development of programs to prevent youth from dropping out of school and improve the quality of life of vulnerable youth, families and individuals. By participating in this tournament, you can help future generations get a good start in life while benefiting from visibility for your company throughout the entire weekend.

› **Register before July 14 and get the chance of practicing on the Impact training fields!**

### CENTRAIDE CUP

Friendly 25-minute non-stop soccer matches of 7v7 (no half-time). After 2 days of matches and an exciting playoff round, the winning team will come away with the Centraide Cup. The 2<sup>nd</sup> and 3<sup>rd</sup> place teams will receive medals.

### RECREATIONAL CENTRAIDE CUP

The Recreational Tournament is back for everyone who wants to participate but isn't interested in the Competitive Tournament. Recreational Teams are made up of 7 players with little to no experience in competitive soccer. You will play fun-filled 25-minute matches, and the Recreational Cup will go to the winning team after the playoff rounds. The 2<sup>nd</sup> and 3<sup>rd</sup> place teams will receive medals.

### FAIR-PLAY AWARD

All participating teams will be considered for the Fair Play Award, which is given to the team that shows exceptional sportsmanship both on and off the field. The winner of the Fair Play Award is chosen by the captains and officials in recognition of the team's high level of courtesy and fairness.

### AN ACTIVITY FOR THE ENTIRE FAMILY

Kids and the young at heart alike can also make the most of the weekend thanks to play facilities and workshops. Your children can enjoy themselves in the play area, or you can register them for the soccer workshops run by the Montreal Impact soccer school. Treat yourself to a family lunch with a sweet snack for dessert to fuel up for the rest of the day. Players can also take a break in a reserved area to recover for their next match. Fun for everyone, guaranteed!

## REGISTRATION FORM
